To foster the growth of soccer by making it available to all Geneva area school age children, teaching it in a supportive developmental way that emphasizes fun and ethical behavior. Participants and spectators are expected to show proper respect for coaches, teammates, opponents, officials, equipment and facilities, and to refrain from the use of alcohol, tobacco, or drugs. Unethical conduct such as bullying or improper threatening behavior could jeopardize the right to play or attend Geneva Soccer Club events.

## **Policy of Playing at an Older Level**

A parent or guardian must send a written request with the registration form to the Geneva Soccer Club by April 15<sup>th</sup>. The evaluation criteria include players fitness, ability, and the impact on teams at both levels. The Board of Directors must approve a request and obtain the consent of all parties involved. Depending on the circumstances, a try-out may be held in order to arrive at appropriate rosters.
