

**Geneva, NY (3/20/08) - Soccer Club Needs Your Help...** The following table outlines the activities of the Geneva Soccer Club over the course of a year. As you can see, we have a lot going on, but with many hands, we can reduce the work load and at the same time show our kids how much we support them. If you would like to help us provide a rewarding and fun soccer experience and have even a few hours per week to spare during the spring and early summer, then we could really use you.
